

Our relationship with M. Lizen Mfg. over the last 7 years has been a great one. We have always been able to count on the people at M. Lizen to get us the parts that we need in a timely manner. They have worked with us when lead times have been short, and have always been willing to do whatever is needed to get the job done, without sacrificing quality. Their courteous, honest and professional approach to business has made doing business with them a pleasure.
