Dear Mr. Lizen,

Congratulations on your company's selection as a recipient of the **Hunter Engineering Company 2014 Supplier Excellence Award**. You are among eleven companies who have been selected to receive this award for quality performance during 2014. The criteria for selection included the reject rate of parts shipped as well as the number of lots rejected during 2014. In addition, both Purchasing and Quality personnel reviewed the data and added subjective evaluations of your efforts to support us throughout the year.

It is with sincere appreciation for your efforts during 2014 in the area of Quality and Service that this plaque is being presented to:

M. Lizen Manufacturing Co.

Congratulations to M. Lizen for being awarded the Supplier Excellence Award for the third year in a row. Their communication is excellent regardless of whether it is regarding a quote or possible delay to a shipment. They make suggestions for improvements to new parts when they see issues. They are consistent in their level of performance and you can tell they strive for perfection.
